## DECLARE WAR ON RUSSIAN VESSELS

Mutineers Will Fight Ships Which Refuse to Join Them.

## TORPEDO BOATS LYING IN WAIT

Potemkine Sighted Twenty-Five Miles From Odessa and Battle Is Expected—Efforts Will Be Made to Sink Great Warship at Once—Mutiny on Steamer.

(By Associated Press.)  
BUCHAREST, ROMANIA, July 4. Before the Kiaz Potemkine sailed from Kuzenji, a delegation from the crew handed the prefect a proclamation addressed to the representatives of the powers in Roumania, formally declaring war on all Russian vessels which refuse to join the mutineers. The proclamation says the Kiaz Potemkine will respect neutral territory and foreign shipping. The delegation requested that the proclamation be forwarded to the powers.

(By Associated Press.)  
BUCHAREST, ROMANIA, July 4. The Russian torpedo boat destroyer Smeltz appeared off Kuzenji to-day and signalled that she was seeking the Kiaz Potemkine. It is stated that the Kiaz Potemkine has attacked an Italian vessel carrying coal. There is much uneasiness among Russian vessels at Roumanian ports.

(By Associated Press.)  
LONDON, July 4, 3:15 P. M.—A dispatch to the Evening Standard from Odessa says the Kiaz Potemkine has been sighted twenty-five miles off that port.

(By Associated Press.)  
ODESSA, July 4.—Comparative order has been restored here and work is resumed in the harbor. An attempt to revive the mutiny on the battleship Georgi Pobedonostzev was discovered to-day. It was frustrated by loyal sailors who delivered six of the leaders to the authorities.

The torpedo boats, which remained here, have gone to sea. It is reported persistently in army and navy circles that the Kiaz Potemkine is being stalked and pursued by several torpedo boats which intend to sink her. The crews of these boats consist of officers who volunteered and sailors, so there is no danger of their refusal to obey orders and destroy the renegade ship. The Kiaz Potemkine's hours are declared here to be numbered. Regret is expressed at the destruction of such a splendid and powerful battleship and at the loss of life, but this is thought to be preferable to continue dishonor of presence in the Black Sea commanded by mutineers.

Several torpedo boats were reported to be off Odessa at night. There are other signs of activity among the torpedo fleet. The whereabouts of the Kiaz Potemkine is not known here, but she is reported to have left Kuzenji.

## TRANSPORTS SURRENDER

Mutiny of Crew of Russian Steamer Reported From Constantinople.

(By Associated Press.)  
ST. PETERSBURG, July 4.—It is stated that the mutineers in the harbor of Odessa, surrendered to-day in Russian waters.

The minister of marine has received the following telegram from Admiral Kruger. "The crew of the transport Prout, when leaving Budrovo Bay mutined, arresting the captain and other officers. Second Lieutenant Nestoroff and Boatswain Kozlitzin were killed. "The Prout has arrived at Behatopol and the crew now is repentant. The officers have been released, the crew heeding them to resume their posts. The Prout has been ordered to anchor at Kamesheval Bay and an inquiry into the affair has been opened."

Mutiny on Steamer.

(By Associated Press.)  
PARIS, July 4.—A dispatch to the Temps from Constantinople says the Russian steamer Emperor Nicholas II, which has been ordered to proceed to Alexandria in place of Odessa, owing to the troubles at the latter place was unable to leave Constantinople on account of a mutiny of the crew of the Emperor Nicholas II, who insisted on going to Odessa to protect their families.

## OVER 200 PEOPLE KILLED IN FLOOD

(By Associated Press.)  
GUANAJUATO, MEXICO, July 4.—Governor Obregon estimates the loss of life something over two hundred. Bodies of the victims of the cloudburst which flooded this city are being recovered. The hospital was flooded so quickly that the patients were drowned.

The magnificent Juarez Theater was flooded to the floor of the first balcony, and soldiers who had taken refuge there had to climb to the upper balcony to save themselves. The power plant is damaged and the city is in darkness. The property loss is now estimated at two millions.

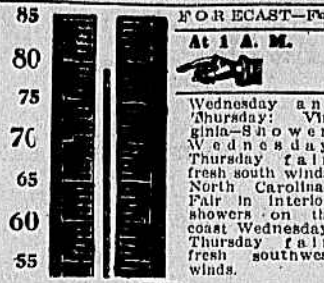

## Premature Explosion.

(By Associated Press.)  
NEW YORK, July 4.—By the premature explosion of a shell in the open breach of a five-inch gun, while a Fourth of July salute was being fired at Castle Williams, Governors Island to-day, Private Cornelius Harrington, of Company B, 16th Infantry, was probably fatally injured. Sergeant Frank Webb also was badly hurt.

## FAST MAIL TRAIN KILLS TWO MEN

White Farmer and Negro Track Walker Are Instantly Killed.

## GO TO MEET FLYER ON VELOCIPED CAR

Mystery Surrounds the Accident. Track Walker Knew of Approaching Express—Engineer Says Neither Man Made Any Move to Escape Death.

Mr. A. A. Laudell, a farmer, and William Winfred, a colored track walker in the employ of the railroad, were struck by Chesapeake and Ohio train No. 8 on yesterday afternoon and instantly killed.

The scene of the accident was one-half a mile east of Windsor Shades. The men were upon the velocipede car belonging to the section master of the division, and, strange as it may seem, were going west, to meet the approaching train. The fast flyer of the Chesapeake and Ohio Railway left the Main Street station at Richmond at 4 P. M. on its usual race to Newport News. A mile a minute is no unusual speed for No. 8 to make on straight stretches.

After leaving Windsor Shades the engineer, Mr. Chalkley, on engine No. 11, saw on the straight track ahead of him a hand-car containing two men. It was impossible to stop the fast moving train, and besides he thought the men on the car would certainly jump to save their lives. They made not the slightest movement, however, for safety, and simply advanced to meet their death. The straight stretch of track is of some length at this point; the sound of an approaching train can be heard there for a great distance, and William Winfred, the track walker, was familiar with the train schedules and was aware that the fast train was due at that time. The fact that the men were on the main track and were approaching an express train which was known to be due, lends an air of mystery to the unhappy occurrence.

Who the Men Are.

Mr. A. A. Laudell is a farmer who resides about a mile from Walker's Station, which is about eight miles from Providence Forge. William Winfred, the negro track walker, is highly spoken of by railroad men. They say he was a good and careful employee and they cannot understand how he rushed willingly into the very jaws of death. He was familiar they say with the time tables of the train and was a temperate man in his habits.

The accident occurred about 4:40 P. M. The bodies of the unfortunate men were turned over to the Coroner, who will summon a jury this morning. It is said that no blame attaches to the Engineer Chalkley of the railroad.

## Eight Convicts Escape.

(By Associated Press.)  
TACOMA, WASH., July 4.—Eight convicts escaped from the Federal penitentiary on McNeill's Island to-day, leaving the island in two small boats. Before embarking the convicts disabled the government launch by destroying the dynamo, and the officers were unable to take up the pursuit for several hours.

## WILL MANUFACTURE THEIR OWN TOBACCO

Growers Decide to Erect a Large Factory at South Boston.

(Special to The Times-Dispatch.)  
SOUTH BOSTON, VA., July 4.—The Interstate Tobacco Association met in the Opera House to-day, and was greeted by a large and enthusiastic crowd of farmers from all over the county and many business men of this place.

The object was to confer as to the best plan to sell tobacco and other produce for a profit and to better the condition of the farmer in general to fight the tobacco trust and to manufacture their own tobacco independent of a corporation's control.

Several men thrilled the audience with their speeches, and it was decided to open books in the various precincts and solicit subscriptions to the amount of fifty thousand dollars to build a tobacco manufacturing plant at this place.

## SWEDISH ARMY IS BEING MOBILIZED

Government Preparing for Any Emergencies That May Arise.

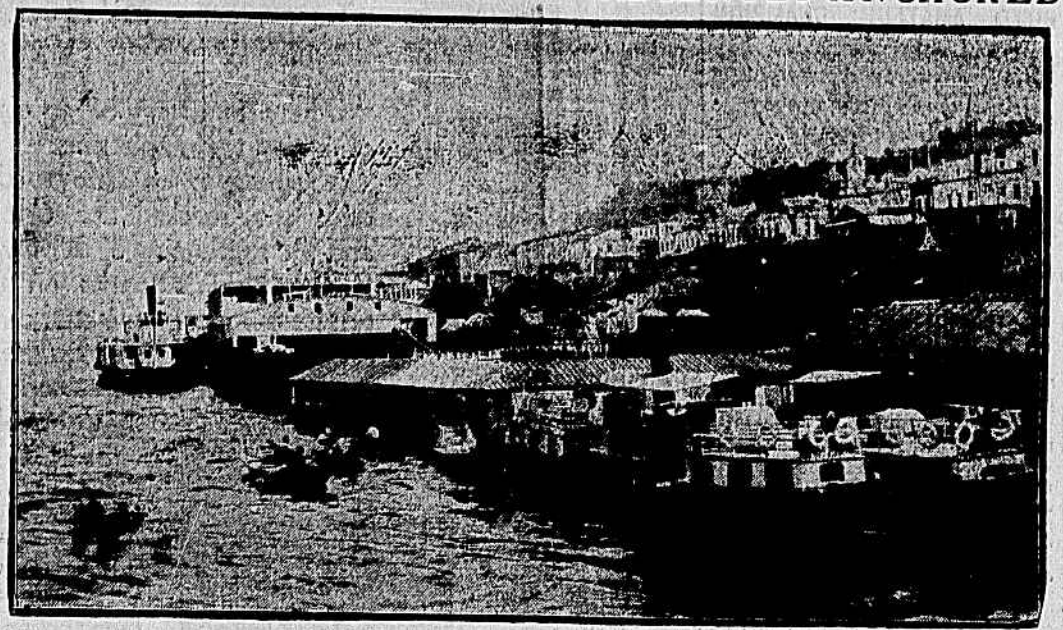

(By Associated Press.)  
STOCKHOLM, July 4.—The Associated Press is in a position to state that an order for the mobilization of the Swedish army has been issued, and that a proclamation to this effect will probably be issued within a week.

The mobilization is intended as a means of giving added force to any proposal for settlement which the special committee appointed by the Riksdag may make to the Norwegian Storting.

## Two Privates Injured.

(By Associated Press.)  
BOSTON, MASS., July 4.—While firing the national salute of forty-five guns at Fort Warren, Boston Harbor to-day, the charge of the sixteenth round exploded prematurely, injuring two privates of the Ninety-sixth Company, coast artillery. One private, James L. Buckley, in the breach of a six-pounder, probably fatally.

## ROYAL WELCOME AT ASHEVILLE

Virginia Editors Get Glad Hand From Their Tar Heel Brethren.

## GREAT PLANS FOR THE FUTURE

Mr. Valderbilt to Throw Open Biltmore to the Editors.

(Editorial Correspondence.)  
KENILWORTH INN, ASHEVILLE, N. C., July 4.—The joint meeting of the Virginia and North Carolina Press Association is already a success.

Many of the editors of both associations arrived yesterday with wives and daughters, and many more arrived to-day. There is a fine representation from both associations, and the sessions promise to be thoroughly instructive and enjoyable. There was a conference to-day to arrange the programme, and the Virginia association held a brief session, but only routine business was transacted.

The guests are entertained at the famous Kenilworth Inn, which overlooks the great Biltmore estate. All Virginia knows that the situation is ideal, and it would be a waste of words and telegraph to undertake to picture the scene. The North Carolina brethren have given the Virginians a glorious welcome, and the city of Asheville has made elaborate preparations for the entertainment of both associations. There are to be trolley rides, a drive through Biltmore, a ball, a banquet and excursions into the surrounding country.

The North Carolinians are talking of great things for 1907. They will propose that the two associations send a joint invitation to the National Editorial Association to meet in North Carolina in that year, and then visit the Jamestown Exposition in a body. The Virginians are, of course, pleased with the plans.

As a special compliment to the newspaper men, Mr. Valderbilt has decided to throw open his palatial home to them. This is the first time that such a courtesy has been extended to any body of men.

## COVINGTON IS NOT GUILTY, JURY SAYS

(By Associated Press.)  
LITTLE ROCK, ARK., July 4.—A verdict of not guilty was returned this evening by the jury in the trial of State Senator A. W. Covington, on a charge of accepting a bribe of \$6,000 on the bill appropriating \$800,000 for the completion of the new State capital. The jury had been out since Saturday night at 11:30 o'clock. After the verdict was announced the prosecution entered a nolle prosequi in the remaining charge against Senator Covington of accepting a bribe of \$800 and a gold watch for his vote on the district court bill.

## PRESIDENT AT WORK AGAIN FOR ARMISTICE

Consent of Russia Seems Assured—All Depends Now on Japan.

(By Associated Press.)  
ST. PETERSBURG, July 4.—President Roosevelt has resumed his efforts to bring about an armistice. No light is thrown on the exact status of the negotiations and the character of the communication passing between the Russian and Japanese Governments and Washington. The matter is an exceedingly delicate one, but the outlook for success nevertheless, from all information obtainable is not unpromising if Japan is ready to accept the word until the Washington meeting develops whether a basis for peace is possible. Russia's consent seems assured.

In diplomatic circles it is felt that Great Britain could render service by timely advice to her ally, but so far as known, she is not supporting President Roosevelt's efforts.

## ROSEN ARRIVES, IS NOT TALKING

Russian Ambassador and Peace Envoy Denies Story of Interviews.

## SHOCKED AT DEATH OF HAY

Thinks Washington Will Be Very Uncomfortable Place for Summer Conference.

(By Associated Press.)  
NEW YORK, July 4.—"Please deny for me that I have given out any interview on politics," were almost the first words of Baron Rosen, the new Russian Ambassador to America, and peace plenipotentiary to a representative of the Associated Press as the Kaiser Wilhelm II. was moored to her dock in Hoboken to-day.

"When I received the American newspapers," he said, "I observed that a French agent had attributed to me an interview quoting me as saying that Russia is willing to pay the expenses of the war within certain limits. I wish you to deny this for me and also deny that I have ever given out any interview or expressed publicly any opinion of a political nature. Please say that and nothing more, and I will be much pleased."

He would say nothing of Russian politics, nor of the pending peace negotiations. The Baron said he learned of the death of Secretary Hay at sea and was shocked by the news. He spoke in eulogy of the deceased statesman, and said he had known Mr. Hay for twenty-five years. He was much pleased to return to America and hoped to renew many former acquaintances.

The ambassador was asked what he thought of Washington as a place of meeting for the peace conference, and he replied that it would be most uncomfortable, that almost any northern point would be more comfortable, and more acceptable. He did not know officially, however, where the conference would be held if Washington was found to be out of the question. Baron Rosen was accompanied by his wife, Mme. Rosen, and their daughter and Prince Kondoroff, the Russian minister to the Grand Duchess of Hesse-Darmstadt.

Baron Rosen did not know when he would go to Washington. He took the train for Manchester-by-the-Sea.

## WILLARD PRACTICAL. MAKES FINE IMPRESSION ON THE EASTERN SHORE.

(Special to The Times-Dispatch.)  
ONANCOCK, VA., July 4.—Lieutenant Governor Joseph E. Willard in his speech at Onancock last night made an excellent impression on the voters of this town.

The meeting which was held in the town hall was the coming of the year. Willard made a practical, efficient appeal to the voters on a progressive attractive platform.

The speaker quickly caught the ear of the audience with his interesting and modern ideas advanced as to the vital issues in the development and advancement of the Virginia people and the Virginia resources. The writer has heard it stated repeatedly to-day that of the three speakers at the courthouse yesterday, that Mr. Willard made the strongest

## M'KENDRIE CHURCH DESTROYED BY FIRE

Nashville House of Worship is Burned for Second Time in Its History.

(By Associated Press.)  
NASHVILLE, TENN., July 4.—Fire to-night destroyed McKendrie M. E. Church, on Church Street, between Fifth and Sixth Avenues, and one of Nashville's finest houses of worship, and threatened a section of the retail district, in the midst of which the edifice was situated.

The Arlington Hotel, directly across the street, was in imminent danger, and considerable confusion prevailed for some time among the guests. The flames were, however, confined to the church, the loss on which is complete and has been estimated at \$90,000. The amount of insurance could not be learned to-night.

The flames were discovered about midnight, and had then made such headway that their spread to adjoining buildings seemed certain. The church was destroyed by fire once before, in 1873. The origin of the fire is unknown.

## SWANSON WAKES UP CHINCOTEAGUE

The Congressman Caught the Fancy of the Islanders.

## SWANSON STOCK ON A BOOM

Speaks to Representative Audience at Onancock at Night.

(Special to The Times-Dispatch.)  
CHINCOTEAGUE, VA., July 4.—Never before in the history of the island of Chincoteague has any candidate received a warmer or more enthusiastic reception than that which was accorded the Hon. Claude A. Swanson Saturday night last.

Mr. Swanson arrived here at 6 o'clock Saturday evening on a special steamer from Greenbackville, Va., accompanied by Messrs. G. Walter Mapp and W. W. Bryan, at which place he was introduced by the latter to a large and attentive crowd, who punctuated his superb address at frequent intervals with vociferous applause. "Greenback" will line up for the "boy" at the coming primary.

He was introduced here at 8 o'clock by Mr. Harry B. Jester to an audience, consisting of several hundred people, where he delivered the most instructive, impressive and forceful speech that has ever been heard on the island. His speech was continuously interspersed with applause by a most attentive and enthusiastic gathering, and when finished the crowd instead of dispersing, as usual, stood apparently spell-bound for a short while, after which many came forward and gave their favorite candidate for Governor a cordial handshake, assuring him of a hearty and loyal support. That Chincoteague will also roll up a handsome majority for the "boy" at the coming primary has been fully demonstrated.

## Bier Gaudied By Soldiers.

(By Associated Press.)  
CLEVELAND, OHIO, July 4.—Guarded still by soldiers and sailors, the body of John Hay lay in state throughout the national holiday. The public in general remained away from the vicinity of the Chamber of Commerce, and the police made a point of seeing that no unseemly din was created by fireworks in the streets immediately adjoining the building.

Mrs. Hay spent the day quietly at the home of Mr. Mather, at Glenview. Many visitors called, but to the majority of them the idea here was not to disturb the family.

All day long messenger boys delivered floral tributes at the home of Mr. Mather. They came from all parts of the United States, and a number were sent by foreign countries. Early to-morrow morning the flowers will be taken from the house to the cemetery, where they would be arranged about the grave, while the services are being held in the chapel.

The funeral programme remains substantially as already announced. The citizens of Cleveland will hold a Hay memorial meeting Wednesday afternoon in the Chamber of Commerce. Governor Herrick will preside.

## Injured at Barbecue.

(By Associated Press.)  
AUGUSTA, GA., July 4.—At a barbecue celebration of the Fourth at Gaston, in Lexington county, S. C., two men were fatally wounded, one probably fatally and several others more or less badly hurt in a fight that grew to riot proportions.

## Letter From Parker.

A letter from Alton B. Parker, former Democratic candidate for President, in which he advocated the divorce of business and politics, was read.

## Letter From Parker.

"Because greed, left to run riot, has produced some bad conditions, and in great corporations, we are advised to run headlong into municipal or government ownership and operation. This policy is advocated in spite of the fact that, in other countries, and in the surroundings, far more favorable for such experiments than our own, they have uniformly interfered with development and curbed initiative. The only alternative thus presented for the curbing of greed is that of rushing wildly into all the perils of over-governance."

## Letter From Parker.

"It is thus made incumbent upon us to recognize, in the first place, that as the dangers which confront us are now, they require nothing but the old respect for law, a demand for its rigid execution, and a recognition of those doctrines and practices which fix unalterably the limits of right and wrong. We do not need to look for new cures for the old diseases; we have only to apply the old remedies in drastic doses."

"Following the recognition of this fact comes the necessity for the divorce of business and politics, a union which has been so long continued and so fertile in evil progeny that the process of separation will be long and difficult. The Democratic party must do all that lies in its power to promote an end so auspicious. Only in this way can it give new potency to the principles and policies

## PRESIDENT AND CABINET LEAVE

Almost Entire Executive Branch of Government On One Train.

## FUNERAL OF HAY IN CLEVELAND TO-DAY

Elihu Root Goes As Representative of State Department and Selection Is Regarded As Significant—Number of Floral Designs Sent By Foreign Countries.

(By Associated Press.)  
PHILADELPHIA, July 4.—President Roosevelt and nearly all of the present and former members of his Cabinet are en route to Cleveland to-night on a special train on the Pennsylvania Railroad to attend the obsequies of John Hay, late Secretary of State.

The party constitutes the largest representation of the executive branch of the government ever assembled on one train. It includes, besides the President, all but one member of the Cabinet. Secretary Taft, who is en route to the Philippines, is the only absentee from the Cabinet circle. Elihu Root, former Secretary of War; Paul Morton, former Secretary of the Navy, and Charles Emory Smith, former Postmaster-General, are of the President's party. Mr. Root will represent the State Department.

## President's Special.

The President left Oyster Bay on his sorrowful mission at 3:25 P. M., on a special train on the Long Island Railroad. The run to Long Island City was made in fifty minutes, the President having as his guest to that city Baron Speck von Sternberg, the German ambassador, who visited the President at Sagamore Hill to-day.

The President arrived at Jersey City station at 5:15 o'clock, and at once boarded the special train. He was joined by Attorney-General Moody and former Secretary Root and Morton. The special train left Jersey City at 5:45 P. M. Philadelphia was reached at 7:45 P. M., the President being joined here by Secretaries Shaw and Bonaparte, Wilson, Hitchcock and McElair, Postmaster-General Cortelyou and Charles Emory Smith. Dinner was served on the train after it left Philadelphia, over the Pennsylvania Road at 8:02.

United States Senator Knox, of Pennsylvania, former Attorney-General, will board the President's train early to-morrow morning near Pittsburgh. The special train is scheduled to arrive in Cleveland at 8 o'clock to-morrow morning.

## GOV. GLENN WARNS TAMMANY BRAVES

Clouds Appearing On Political Horizon, He Declares.

## CONFLICT BETWEEN CAPITAL AND LABOR

Habit of Living Too Fast Making This a Nation of Gamblers and Thieves—Concentration of Wealth Another Danger to Peace.

(By Associated Press.)  
NEW YORK, July 4.—The Tammany Society's annual Fourth of July celebration, in front of the Wigwam in Fourteenth Street, constituted about the only public exercises in observance of the Fourth in Manhattan. The chief speakers of the Tammany programme were Governor Robert B. Glenn, of North Carolina, and Lieutenant Governor Jared Y. Sanders, of Louisiana. Governor Glenn said:

"I esteem it both an honor and a pleasure to meet and greet you to-day, and I appreciate, more than mere words can express, the invitation to your Wigwam to make and address to the warriors of your tribe. That you have made mistakes, none will deny that you have elevated to office and put into positions of trust, some who have been untrue to their oaths, unworthy of your order, and a menace to society and good government.
